

Marquee Functions

Setting the scene.....

Greet your guests and enjoy a glass of champagne, Pimms or your own favourite pre-dinner drink on the top lawn. This is an ideal location for formal or informal photography. String quartets are a wonderful addition in our award-winning gardens.

Imagine arriving on Herm from your wedding on Guernsey. Your own private charter boat to Herm. Meet your guests on our hotel lawn for reception drinks then proceed to our marquee overlooking the sea, with uninterrupted views of Jethou and Guernsey. Have your wedding photos taken in our hotel grounds or on a beach.

What could be more magical or memorable?

During your meal, why not enjoy your favourite wines, or try something new from one of the 'largest wine lists in the Bailiwick'.

What we do.....

We have been organising functions at The White House Hotel for many years and during this time Herm Island has proved to be a very popular and special location within the Bailiwick. We host a large range of functions on Herm each year, from birthday parties to weddings and from charitable events to corporate entertainment days.

Please contact our Hotel General Manager, Sion Jones, to discuss your function. Either telephone on +44(0)1481 722159 or email to hotel@herm-island.com.
